REMAND TO EXAMINER

---

Before HARKCOM, Acting Chief Administrative Patent Judge, WILLIAM F. SMITH and  
NASE, Administrative Patent Judges.

Per curiam.

REMAND TO THE EXAMINER

The above-identified application is being remanded to the examiner for  
appropriate action.

---

<sup>1</sup> Application filed July 15, 1998, for reissue of U.S. Patent No. 5,653,148 (Application No. 08/573,561 filed December 15, 1995).

### BACKGROUND

1. A review of the file record indicates that claims 4 to 29 and 37 to 40 have been rejected under 35 U.S.C. § 251 as attempting to recapture subject matter surrendered in the application to obtain the original patent.

2. A precedential opinion concerning a reissue recapture rejection under 35 U.S.C. § 251 was decided May 29, 2003 in Ex parte Eggert, 67 USPQ2d 1716 (Bd. Pat. App. & Int. 2003). In Eggert, the majority opinion applied the fact-specific analysis set forth in In re Clement, 131 F.3d 1464, 1468-71 45 USPQ2d 1161, 1164-66 (Fed. Cir. 1997), determined that under the facts and circumstances before it, the “surrendered subject matter” was claim 1 of Eggert as that claim existed prior to the post-final rejection amendment that led to the allowance of claim 1 in the original patent, and decided that reissue claims 15-22 of Eggert were not precluded (i.e., barred) by the “recapture rule.” 67 USPQ2d at 1730-33.

### ACTION

We remand this application to the examiner for a determination of whether the rejection under 35 U.S.C. § 251 remains appropriate in view of Ex parte Eggert.

If the examiner determines that the rejection under 35 U.S.C. § 251 remains appropriate, the examiner is authorized to prepare a supplemental examiner's answer specifically addressing the § 251 rejection and to respond to the argument raised in the reply brief (Paper No. 36, filed October 14, 2003). See 37 CFR § 1.193(b)(1). In the

If the examiner determines that the rejection under 35 U.S.C. § 251 is no longer appropriate, the examiner should withdraw the rejection in an appropriate Office action.

This application, by virtue of its "special" status, requires immediate action, see MPEP § 708.01.

If after action by the examiner in response to this remand there still remains a decision of the examiner being appealed, the application should be promptly returned to the Board of Patent Appeals and Interferences.
